

## Partners in Prevention

Volume 19, Issue 8, August 2017

### Conference Update – New Presenting Partners, Website and Speakers

A new [2017 National Disaster Resilience Conference](#) website is now online with the latest details about keynote speakers, session presenters, and topics. [Applied Technology Council](#), [Central United States Earthquake Consortium](#), [National Fire Protection Association](#), [National Hurricane Conference](#), [National Weather Association](#), [Southern California Earthquake Center](#) and the [Western States Seismic Policy Council](#) are serving as “Presenting Partners”.

The conference is slated for October 25 - 27 in Atlanta and will bring together the nation’s foremost voices in the disaster safety and resilience movement to share best practices, inspire, collaborate, and create meaningful action.

Session topics will focus on the latest in science, policy, and practices to drive more resilient buildings and create disaster-resilient communities. Expert presenters and leaders from FLASH Legacy Partners BASF, DHS, FEMA, Simpson Strong-Tie, State Farm Insurance Companies, and USAA along with the American Institute of Architects, AIR Worldwide, DHS, GAO, MIT, *The Weather Channel*, and many other organizations will share best practices, deliver research insights, and generate new collaborative opportunities.

Please join our growing list of sponsors to help underwrite this dynamic program. When you do, you will join Titanium Sponsor International Code Council, Gold Sponsor BASF, Silver Sponsor USAA, Bronze Sponsor ISO, and General Sponsors AIA, Comfort Block, ICFMA, and Smart Vent.

You can enjoy early bird registration rates for the [2017 National Disaster Resilience Conference](#) before August 25 by [clicking here](#). For more information about special rates email [info@flash.org](mailto:info@flash.org) or call (850) 385-7233.
