There's Still Time to Get QuakeSmart in 2018

It's not too late to join the FEMA and FLASH free [Ready Business – QuakeSmart Workshops](#) in Benton, Arkansas and Albuquerque, NM set for October 11 and 18. The workshops are designed for building officials, businesses, corporations, engineers, emergency managers, homebuilders, leaders, manufacturers, nonprofits, organizations, policymakers, public officials, risk managers, and small businesses.

Attendees will receive streamlined business continuity planning and mitigation project plans with simple, step-by-step instructions to help reduce risk and protect employees, clients, customers, and communities. In addition, the workshops include a free networking session luncheon.
