

## Partners in Prevention

Volume 19, Issue 7, July 2017

### New Tools to Plan Your ShakeOut

Save the date for a webinar for government employees, [\*Plan Your Great ShakeOut Earthquake Drill\*](#) on July 21st at 9:00 am PDT. Learn how your organization can participate in the annual world-wide event: *Great ShakeOut Earthquake Drills*. Great Shakeout supports government agencies in promoting both internal and community-wide earthquake readiness. Participants practice the “Drop, Cover, and Hold On” safety procedure and other aspects of their emergency plans.

The *Plan Your Great ShakeOut Drill* webinar will be hosted by FEMA Region X, the Southern California Earthquake Center, and State partners. On the webinar you will learn:

- The value of an earthquake drill to your organization and community
- Earthquake risk in the Pacific Northwest
- How to plan an earthquake drill
- Government planning successes
- How to join the *Great ShakeOut Drill* and find resources

The webinar audience is government organizations interested in participating in the Great ShakeOut both within and outside of the Pacific Northwest – all are welcome partake. [\*RSVP here\*](#) to receive future messages regarding the *Plan Your Great ShakeOut Earthquake Drill* and visit [\*ShakeOut.org\*](#) for more information on the *Great ShakeOut Earthquake Drills*.
