NDRC18 Room Block Expiring Soon

It's not too late to book your room and register for the 2018 [National Disaster Resilience Conference](#) (NDRC) November 7-9 at the Wyndham Grand Clearwater Beach, FL.

Each year, the NDRC18 brings together the nation's foremost voices in the disaster safety and resilience movement, drawing a diverse crowd of experts and organizations. This year's lineup of presenters includes Kenneth Graham, National Hurricane Center Director; Leslie Chapman-Henderson, FLASH President and CEO, *National Weatherperson of the Year* Ada Monzón, Meteorologist, CBM - WIPR-TV; Lt. Col. Kaitlyn Woods, Hurricane Hunter - Chief Meteorologist, 53rd Weather Reconnaissance Squadron, USAF; Roy E. Wright, President & Chief Executive Officer IBHS, and many more.

NDRC18 attendees will hear from BASF Corporation, FEMA, Florida International University, Insurance Institute for Business and Home Safety, James Cook University of Australia, Lightning Protection Institute, MIT, NOAA, Portland Cement Association, Southern California Earthquake Center, Smart Home America, State Farm, *The Weather Channel*, University of Florida, University of Notre Dame, USAA, and Verisk. [Click here](#) for the full lineup.

NDRC18 is proud announce that the International Code Council is serving as the Titanium Sponsor and [sponsorship opportunities](#) are still available. When you sponsor, you will join Titanium Sponsor International Code Council as well as Gold Sponsors BASF Corporation and USAA, Silver Sponsors, ISO, National Wildlife Federation, and Portland Cement Association, Bronze Sponsors National Flood Barrier Testing & Certification and Smart Vent, and General Sponsors Comfort Block and Enterprise Community Partners.

NDRC18 will be presented by the FLASH Partnership and "Presenting Partners", including the American Meteorological Society, Association of State Floodplain Managers, Central United States Earthquake Consortium, National Fire Protection Association, National Storm Shelter Association, National Weather Association, National Weather Association Foundation, and Southern California Earthquake Center

The conference is filling up quickly and the group room block is set to expire **October 5**, so don't miss out on the opportunity to join the nation's foremost voices in the disaster safety and resilience movement at this premier leadership event.
