Habitat Charlotte Region tackles the challenges of affordable homeownership, critical home repair, and fair housing policies head on, leading partners and supporters to build communities with equitable access to housing for all. Since 1983, we have empowered over 5,000 families across the Charlotte region, including Mecklenburg, Iredell, and Gaston counties, by building affordable communities, improving financial literacy, and promoting intergenerational wealth.

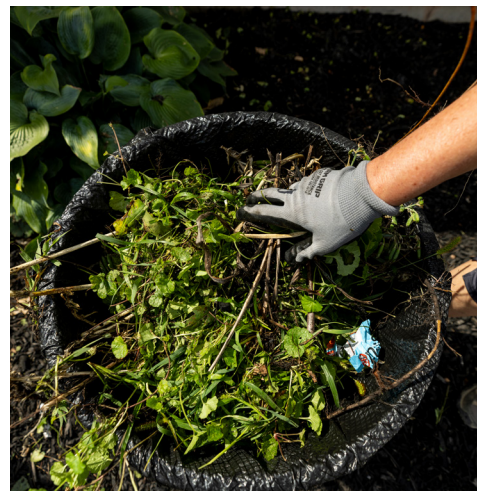

This summer, Habitat Charlotte Region's Critical Home Repair program will expand to Gaston County and will partner with six local families over the next fiscal year.

In the spirit of being good neighbors, we're bringing volunteers together to serve your community on **Saturday, September 20th** to complete maintenance and beautification projects to complete maintenance and beautification projects such as:

- » Mowing lawns
- » Replacing mailboxes
- » Cleaning gutters
- » Planting flowers

To have your home included in the maintenance and beautification projects, please fill out the form on the back of this flyer and mail it back to us.

For more information, contact **Bryan Leitch, Neighborhood Relations and Support Senior Specialist**, at **bleitch@habitatcltregion.org** or **980-502-4365**.

YES – I would like a ReStore donation pickup

- » Got junk? Habitat will haul away your old furniture, tools, toys, and bulky items in any condition for **FREE**
- » Simply leave the items in your front yard, and volunteers will collect them. We'll bring any items we can to the ReStore, and dispose of the rest, at no cost to you.
- » For safety reasons we will be **unable to accept any donations** from your yard if volunteers encounter any of the following:
 - Weapons (*excluding culinary tools*)
 - Broken glass
 - Food waste
 - Biological waste (*including diapers*)
