Living by love, not by fear: this is the goal of Beloved Community.  
A community where no one is oppressed or exploited;  
A community where every one is respected, appreciated, valued and nurtured.  
Let’s invite our beloveds – our cherished friends and kin,

There is a woman who weaves the night sky  
See what she spins, how her fingers fly  
She is within us -- beginning to end  
Our grandmother, our sister, our friend

She is the needle and we are the thread  
She is the weaver and we are the web  
We are the flow and we are the ebb  
We are the weavers we are the web

She changes everything she touches  
and everything she touches changes  
She changes everything she touches  
and everything she touches changes
