

39TH Harvest Moon Regatta

Galveston – Port Aransas, TX

HM Regatta Week: October 21-28, 2026

Regatta: October 21-25, 2026 Return Trip: October 24-28, 2026

The event once dubbed “A Howling Good Time” by Cruising World is back! Founded in 1987, the annual Harvest Moon Regatta event has grown from just under 20 boats to over 200—and we are proud of our South Coast Sailing Adventures teams who have placed in the top 3 winners for their class over the years! The 150-nautical mile race begins at the Pleasure Pier in Galveston and follows the Texas coast to Port Aransas over the course of 2 days and 2 nights, when the night sky is dominated by the beautiful harvest moon!

It’s the perfect opportunity to gain offshore sailing experience or add to your sailing certifications.

In addition to a trip down the coast, sailors will enjoy a Sailor Rum Party and awards ceremony in Port Aransas. Everyone is invited to participate as a crew member; however, we are also offering ASA 103/104, ASA 114 and ASA 106 during this event.

*All prerequisites for ASA courses must be completed prior to regatta.

Tentative Schedule

Wednesday, 10/21 - 9:00 AM Check-in, crew briefing,
provisioning, regatta safety requirements
