

Join us for a sailing adventure on the British Virgin Islands Flotilla

December 3-13, 2026

Discover why the “Christmas Winds” make December in the British Virgin Islands a sailing mecca! Our annual winter flotilla is the best opportunity to expand your sailing skills. Navigate to idyllic shores and experience the epitome of vacation perfection! Discover the charm and unique character of each pristine island in this volcanic archipelago.

The stunning 55+ islands and cays that comprise the British Virgin Islands have two fantastic assets – accessibility and virgin beauty. Cruising sailors were the first to realize this was a “sailor’s paradise.” For decades, the British Virgin Islands have remained “nature’s little secret.”

Tortola is the largest island and seat of government. Ginger, Cooper, Salt, Peter, and Norman Islands lie to Tortola’s south. Jost Van Dyke lies to the north, along with Anegada, the only coral atoll!

The BVIs are a picture of contrasts. Some anchorages are sandy coves with swaying palms. Others are between spiraling sheer rock faces that plunge to the ocean. Vegetation can be different from island to island due to rainfall, soil, and sun. Lush areas support palms, tropical fruit trees, and flowering hibiscus and bougainvillea. A short hike up a hill may reveal varieties of cactus, wild tamarind and fragrant frangipani. The surrounding waters of many islands are deep shades of liquid blue, but on Anegada, the waters take on an ethereal aquamarine color.
