

Thank you for sharing your blessings and bounty with Gatehouse families this holiday season!

The Gatehouse Giving Tree

Make Christmas sparkle for families by choosing a Star from our website, at The Gatehouse Washington Community Education Center or at The Christmas Shoppe in Southlake.

Each Star represents one woman or child enrolled in the Independent Life Program and lists items from their wishlist for this year.

Stars are available beginning November 14. All items should be returned to The Gatehouse by **December 9**, unwrapped and clearly labeled.

Amazon Wish List

Assist in setting up new apartments by purchasing an item off our Amazon Wish List. Items are shipped directly to The Gatehouse. Increase your donation by shopping at smile.amazon.com and choosing projectHandUp as your charity of choice.
