YOUTH EMPOWERMENT PROGRAM

Innovating the Next Generation
Offered services include vocational training, post-secondary and academic testing, literacy skills, life skills training, basic skills instruction, and resources.

Students receive community engagement, job readiness training, and GED preparation.

In response to the growing need for educational services within the juvenile offender population, a specialized foundation was created to provide academic, literacy, and life skills training for youth in Chicago, IL and Davenport, IA.

The mission is to educate and prepare members of society to become productive citizens who can contribute to society.

Your Future, Jumpstart Training.

School returns to get their GED. Only 1% of people who drop out of high school return to get it.
