ARE YOU INTERESTED TO BEGIN A CAREER IN A FAST-GROWING INDUSTRY?

Instituto offers the Craft Academy Training, a 3-week program focused on teaching students the skills, capabilities, and physical aptitudes that enables them to apply for entry level craft positions, such as Construction Worker and Overhead Helper with ComEd and other construction companies.

THE PROGRAM OFFERS:
- Full tuition scholarships to eligible program participants.
- Intensive CAST Exam preparation.
- Field hands-on experience in ComEd locations.
- Intensive preparation towards the START interview upon program completion.
- $800 Incentive to all program completers.

Program starts in August 1, 2022.
INVEST IN YOURSELF AND APPLY TODAY.
Only 12 participants will be admitted.
Call now to obtain information on how you can enroll.
