## SUMMER UPDATES JULY 2024

### Dear Friends...

As many of you know, hundreds of individuals and families are seeking asylum in the Pacific Northwest every day—facing various barriers which make establishing new lives here difficult. So today, we want to band together as a community and help our neighbors in their pursuit of health, justice, and hope.

Our Asylum Assistance Program, which helps provide resources to asylees in our community, is seeking **immediate sponsorship for 25 families facing homelessness.** Sponsorship can look like many things—including **material donations** and **ongoing volunteer assistance** to teach finance management.

If you or your congregation are interested in providing material donations to these families, **[please utilize this Amazon wish list.](#)** The highest priority needs at this time are personal hygiene items and pantry essentials, but anything on this list would be a huge help. If you'd like to teach finance management, **please contact [jnganga@lcsnw.org](mailto:jnganga@lcsnw.org) for more details.**

### Amazon Wish List

The **LCSNW Asylum Assistance Program** **Wish List** will provide necessities to many families.

We extend our sincere gratitude for your generous support!

### To Our Partners

When we raise each other up as a community, we'll always have each other to fall back on. Thank you, and have a wonderful day!
