

2022 Synod Assembly Voting Allotment

We look forward to your participation in our assembly on **Saturday, June 4, 2022**. (Location to be finalized soon!)

Our hope is to gather in person – however, we are mindful that we may need to pivot to an online assembly. For an in-person gathering, we will require attendees to be fully vaccinated, masked, and follow pertinent site, city, county, state, federal guidelines at the time of the assembly. In case of an online assembly, voting members will need to either have a computer or your congregation will help them have access to a computer for the day. More information about how to register will be coming in late January.

We present the chart below to help your congregation identify voting members to attend the assembly.

Each congregation is invited to send the total number of lay voting members listed – in the specific categories noted. For example, in addition to any rostered ministers they send, Advent Lutheran is allotted 5 LAY voting members – 1 woman, 2 men and then additionally, they may send 1 youth and one young adult.

We have created this allotment, in keeping with the synod constitution, in order to keep the following diversity goals:

- At least 60% of the voting members shall be laypersons
- Of the lay voting members, 45% shall be men and 45% women with 10% unrestricted
- 10% youth and 10% young adult
 - Youth = individual not yet 18 years old by date of assembly
 - Young Adult = individual 18-30 years old at time of assembly
- While the chart does not explicitly state this goal, we seek to have a minimum of 10% voting members be persons of color or whose primary language is other than English – thank you for keeping this in mind as you reach out to the members of your ministry site.
