## ANSWERING THE PALESTINIAN CALL

The Kairos Puget Sound Coalition (KPSC) is a congregationally-based network that is interested in working for justice and peace in Palestine/Israel, and is affiliated with Christian churches and organizations located in the greater Seattle area. It collaborates with other groups in the Pacific Northwest, such as, Jewish Voice for Peace and Voices of Palestine.

KPSC is affiliated with Kairos USA. To learn more about these organizations, visit: [www.kairosusa.org](http://www.kairosusa.org) & [kairosps.org](http://kairosps.org).

As responsible Americans we ask: "What can we do? How can we acquire the information and the tools we need to make a difference for these Palestinian children?"
