ALABAMA STUDENTS APPLYING TO COLLEGE NEXT WEEK WITH NO FEES!

This Special Statewide Application Event is Being Held February 19 - 23, 2024

Montgomery, Ala. – Next week, high school students will have the opportunity to participate in our Spring 2024 College Application Campaign on February 19 - 23, 2024. This is an extension of the event that was held in October 2023 for thousands of high school seniors.

“During our college application campaign held in October, we had over 25,000 seniors across the state apply to colleges and universities. Due to the success of this campaign, colleges, and universities have agreed to host another event for students” said Alabama College Application Campaign (ALCAC) Coordinator, Dr. Monica P. Mack. “Students that did not apply to a college or university during the initial campaign are encouraged to participate in this event.”

Several Colleges Have Waived Application Fees for this Year's Event

The following colleges and universities have officially waived their application fees this week to allow **Alabama students** participating in ALCAC, Spring 2024, to submit their applications to their institutions at no cost:

- Alabama A&M University - Alabama
- Alabama Aviation College – Alabama
- Alabama State University – Alabama
- Allen University - South Carolina
- Andrew College – Georgia

This information is important because it helps to ensure submitted applications from Alabama students are FREE during the Alabama College Application Campaign:

[Alabama College Application Campaign - February 19 - 23, 2024](#)

The Alabama College Application Campaign was started ten years ago to increase the number of students in our state applying to, and ultimately enrolling in, postsecondary education.

The Cash for College FAFSA initiative and Alabama College Application Campaign were combined into a single campaign (Alabama Goes to College) to help more K-12 students apply to college early and complete their FAFSA applications.

A key goal is to increase the number of young people, especially first-generation and low-income students, pursuing college degrees.
