Alabama JAG Students Earn National Honors

Digital Outstanding Chapter Awards earned by Etowah High School, Highland Home High School, Montgomery Preparatory Academy for Career Technologies (MPACT), New Hope High School, Phillips High School, Russell County High School, and Straughn High School.

Service Project Honors awarded to nine Alabama programs for community impact: Andalusia High School, Cherokee County Career and Technology Center, Straughn High School, Montgomery Preparatory Academy for Career Technologies (MPACT), Highland Home High School, Phillips High School, Sylacauga High School, Monroe County Career Tech Center, and Shelby County High School.

Jobs for Alabama's Graduates (JAG) empowers students to overcome barriers and achieve their full potential through targeted educational support and career readiness training. The program pairs JAG-eligible students with dedicated Educational Specialists who provide mentorship, guidance, and individualized instruction to help students graduate and successfully transition into the workforce, military service, or post-secondary education.

Through early intervention strategies, including classroom instruction, counseling, employability skills development, and job placement services, JAG equips students with the tools they need to thrive. This comprehensive approach has resulted in an impressive 95 percent full-time job placement rate, underscoring the determination of JAG students and the effectiveness of the program's support model.

To learn more about Alabama JAG, contact State Director Mandy Nichols at 334-694-4752 or visit the Alabama JAG Website www.alabamajag.org.
