Paying for Camp—Financial Aid and Camper Fundraising

SDES relies on charitable donations from parents, volunteers, and friends to provide camp. We raise support so that no child is turned away. Every child with diabetes is supported by the gifts of donors when they receive a "Living with Diabetes Scholarship." Some families are not able to pay some, or all, of their remaining camp fee. Visit our website, or call 205-402-0415, for details on sponsoring a camper, receiving additional financial aid, or raising donations to support your child's camp costs.

Full Camp Cost	Living with Diabetes Scholarship	Camp Fee (Paid by Camper)
\$1200 Junior/Senior Camp	\$400	\$800
\$900 Coastal Camp	\$400	\$500
\$525 Day Camp	\$350	\$175
\$525 Teen Leadership Forum	\$275	\$250
\$1200 Summer Family Camp	\$625	\$575
\$1000 Spring/Fall Family Camp	\$625	\$375

Paying your full camp fee, plus voluntarily donating the "Living with Diabetes Scholarship" portion, covers the full cost for your child. You can receive a tax receipt for your donation.

• **Diabetes WALK for Camp Seale Harris**—When your team walks in honor of your favorite camper, all donations raised support your camp fees and "Living with Diabetes Scholarship." Walk live, or online, and support camp. Register now to be ready for camp at campsealeharris.org/diabetes-walk.

• **Employer Scholarship**—Many employers cover diabetes camp fees for employee children. Ask our office for assistance.

• **Financial Need Scholarship**—Income-based scholarships are available by application. A \$25 camp registration deposit is required to have your application considered. All camp registration is online at campsealeharris.org. Scholarships are based on Federal Poverty Level Income Guidelines. Call for an application or download from our website. Applicants are encouraged to participate in the Diabetes WALK or camper fundraising.

• **"Camp Champion" Camper Fundraising**—Kids raise money for camp fees online or through mail. Participants receive recognition and prizes at camp.

• **Sponsor Request Packet**—Many sponsors from your community, such as individuals, churches, civic organizations, and businesses, will help at your request. Sponsorship opportunities do not require a financial aid application and often involve only your phone call or request letter. A sponsor request packet can be mailed to you and is also located on our website.

• **Payment Plan**—Weekly or monthly payments are available to fit your family's need.

*Camp Seale Harris is not funded by JDRF or ADA. Please consider including CSH in your fundraising or giving to fight diabetes.
