

# ERASE THE NEED. HOST A SUPPLY DRIVE.

**\*2 in 3** Hillsborough County Public Schools students need your help. You can put school supplies into the hands of kids like us.

*\*2 in 3 HCPS students qualify for free or reduced-price lunch.*

While most kids eagerly begin the school year with a new backpack filled with school supplies, thousands of students who attend Hillsborough County Public Schools will enter the classroom without these critical items. **Could you imagine starting your first day of school without even a pencil?**

By hosting a supply drive at your place of business, you and your employees will be making a difference in the lives of students in need by giving them the opportunity to begin the school year with their own backpack filled with supplies. Plus, your donations will help us keep the shelves stocked in our Teaching Tools Store, which provides free supplies to students all year.
