# Class Descriptions

**Basic Yoga** introduces basic Yoga postures, breath and concentration techniques. Students are encouraged to work within their own unique ability and limitations. Beginners and all levels welcome.

**Chair Yoga** is a modified, gentle form of Yoga practiced sitting on a chair, or standing using a chair for support. It is one of the gentlest forms of Yoga as it invites you to find mobility in a way that is soft and gentle but also supportive and beneficial.

**Gentle Yoga** is for beginners wanting to start gently, for people working with a health condition, or for those seeking to balance their busy lives with a more relaxed approach. Gently stretch and strengthen the body, connect with breath, and calm the mind.

**Yin Yoga** is a soft, slow moving practice that focuses on deeper, longer stretching of tissues and joints and holding of postures to help open the lower back, hips and sacrum. This guided flowing class is primarily seated on the floor and helps open and heal sciatica, lower back, hip muscles and joints. Appropriate for beginners and all levels.

**Candle Light Flow** melts away stress in a gentle slow flow by candle light and soft music. This slower paced class links breath and movement in a fluid standing sequence combined with some relaxing and restorative stretches to help unwind and let go. Includes a brief meditation by candle light at the beginning and/or end of class.

**Slow Flow** builds on the foundation established in Basic classes by linking postures and breath into a more vigorous, moving flow. Sun salutations, backbends and inversions are explored. Vinyasa-style but in a cooler environment for beginners looking to explore beyond Basic.

**Vinyasa Yoga** combines breath and movement into a vigorous, challenging flow. For anyone looking to sweat, move to the music, and kick their asana up a notch or two, this class is for you (intermediate to advanced levels).

**Vin-Yin Yoga** is a short Vinyasa Flow combined with a series of Yin postures in a comfortable room temperature for the perfect balance of standing and seated in a 60-minute class. All levels welcome.

**Buti Yoga** a soulful blend of Power Yoga, cardio-intensive Tribal Dance, conditioning and deep abdominal toning. (intermediate levels).

**Guided Meditation** a casual guided meditation using a variety of simple, mindfulness meditation techniques which vary weekly. No meditation experience necessary.

**Workshops** offered monthly, typically on Fridays or Saturdays, to help students expand their practice, gain insight into new techniques, and fine-tune their understanding of Yoga and other health-related topics. Workshops are in addition to the regular class schedule and are additional cost (see in-studio flyers and website for details)
