This interactive workshop will explore the mystical and intriguing world of Oracle cards and give you the confidence to do your own card readings

Oracle cards have become very popular and more accessible to everyone in recent years. Yet a lot of people are still unsure how to use them. The goal of this workshop is to empower you to perform your own card readings to tap into your intuition and spiritual wisdom.

It is wonderful to have someone read your cards but it is empowering to do it for yourself anytime you desire to find the answers you are seeking. Experienced card readers can also gain insights into how to enhance their readings.

Come join in the circle and explore this beautiful art of embracing and communicating with your spirit. An assortment of card decks will be available for use during the workshop, or feel free to bring your own favorite deck or purchase from the UpDog Boutique.

Marjorie Lacovic is a gifted Intuitive who has discovered her own unique talent for card reading. She is excited to be your guide for this workshop. Marjorie will also be available for individual card readings after the workshop for \$20
