

Masterwork Announcement

***Masterwork to Temporarily Suspend Operations
Valparaiso, Indiana – December 10, 2025***

Masterwork, the equipping organization undergirding Bill McClure and ministry among marketplace and international pastor/leader, announced December 1 that it will temporarily suspend nonprofit operations, effective January 1, 2026. This decision was made following approval of his sabbatical leave and the consequent operational capacity of the organization. “This was a prayerful, strategic decision,” said Board Spokesman, Dr. Ken O’Neill. “We are immensely supportive of Bill, our remote staff, volunteers, and our international partners. We rejoice in the work God has done and this temporary pause supports Bill and our final ‘ministry-push’ as an organization.”

- No further financial partnerships will be sought beginning January 1, 2026 and any remaining financial resources shall be used for charitable purposes in accordance with IRS-501c3 guidelines and the Masterwork mission.***
- The Masterwork Board remains committed to its biblical mission and will make future organization announcements mid-2026***
