

2026 Webinar Series

Learning. Growing. Evolving Your Business

We are pleased to announce our 2026 Webinar Series. Join us throughout the year for these important and timely topics:

- January 22, 2026: Navigating OSHA Recordkeeping & Reporting
- March 12, 2026: The Essential Elements of a High-Impact Fleet Safety Program
- May 21, 2026: Named Storms: Real-World Insights to Navigate Coverage with Confidence
- June 18, 2026: Navigating OSHA's Regulatory Landscape: Updates & Emphasis Programs
- July 16, 2026: Essential Insights into Workers' Compensation Part B
- September 17, 2026: I Disagree With My insurance Company, What's Next?
- October 15, 2026: The High Cost of Distraction: Protecting Your Fleet, Drivers, and Balance Sheet

Webinars typically take place on the third Thursday of every month at 2:00 p.m. ET. All sessions are approximately 60 minutes, including 10 minutes at the end for Q&A. Each session is open to all clients and future clients and will be recorded and made available within 72 hours.
