

Fall Tissue Paper Suncatchers

Supplies:

- Variety of shapes of different fall items (leaves, acorn, pumpkin, etc.)
- Tissue paper (variety of colors)
- Glues
- Scissors
- Copy paper

Instructions:

1. On regular copy paper, draw (or print out) your favorite fall shapes.
2. Cut a variety of colors of tissue paper into small one-inch squares.
3. Glue tissue paper onto the shapes, covering the entire shape. It's okay if the tissue paper overlaps or goes over the edges.
4. For the stems, you can either cover them with tissue paper or color them in with fine-tip markers.
5. Set the suncatchers aside to dry.
6. Once the glue is dry, cut out the template.
7. Hang them in the window and enjoy!
