Cotton Ball Tree Painting

Supplies:

- White paper/cardstock/construction paper
- Brown marker
- Paint in fall colors (i.e. orange, yellow, red)
- Cotton balls
- clothespins

Instructions:

1. Start by drawing a tree trunk on a white sheet of paper using a brown marker.
2. Clip cotton balls to the clothespins to make a brush to paint with.
3. Allow kids to use the cotton ball brush to dip in paint and dab leaves onto the tree. Be creative, and have fun with this.
4. Allow paint to dry and you're done!
