

## ***Galaxy Jars***

### Supplies:

- Clean glass jar with a lid
- Tempera paint (at least 2 colors)
- Cotton balls
- Fine glitter
- Water

### Instructions:

1. Fill 1/3 of the jar with water to begin.
2. Add several drops of paint to the water, put the lid on your jar, and shake to mix the paint and water.
3. Add a bit of fine glitter to the water and paint solution. These are stars in your galaxy!
4. Stretch out and elongate your cotton balls, adding them to the water until the bottom is filled with cotton, and pressing them down into the water with a stick or a knife.
5. Fill another 1/3 of the jar with water and add several drops of contrasting paint.
6. Repeat steps 2-4 so your colors start to mix and blend into each other.
7. Fill the final 1/3 of the jar with water and repeat steps 2-4.
