Notification of Residential Recycling Contamination

The Town appreciates your patience and assistance in making this process a success. The Town is experiencing a lot of contamination mostly from recyclables being in bags or bagged trash being put in the recycling container. See the attached flyer for recyclable items and methods. **"NO BAGS PLEASE"**

For trash and recycling questions, please call Public Works at (252)-756-2221 Ext. 2412, or, Customer Service at (252)-756-2221 Ext. 8009.

For additional information go to https://www.wintervillenc.com/trash-recycling-collection.

July Solid Waste Schedule:

- **Week of June 30th - Trash Only.**
- **Week of July 7th - Trash and Recycling.**
- **Week of July 14th - Trash Only.**
- **Week of July 21st - Trash and Recycling.**
- **Week of July 28th - Trash Only.**

Mosquito Season is just around the corner.

The Town asks that residents look to find and empty any containers or standing water on their property. This is where they lay their eggs and where the larva hatch. The mosquito monitoring program has begun to keep the population under control. 3D's of protection - Drain, Dress and Defend:

Drain:

- Dispose of old tires. Tires can breed thousands of mosquitos.
- Dump standing water in buckets, flowerpots and planters, children's toys and tarps or pool covers.
- Clean out gutters and unclog drains.
- Clean pet water dishes and bird baths regularly.

Dress:

- Wear light colored, loose fitting clothing.
- Long sleeves and pants are recommended when outdoors, especially at dawn and dusk.

Defend:

- Use EPA-registered insect repellents with DEET, picaridin, or oil of lemon eucalyptus.
- Report areas of standing water to local vector control.
- Stay informed about local mosquito control programs and participate when possible.

Pitt County accepts additional items at the convenience drop-off sites, but, not in the recycle containers.

ALSO ACCEPTED

The following materials also are accepted for recycling and proper disposal at the county convenience drop-off sites and Transfer Station. For additional restrictions, see the site attendant or visit the website.

In addition, the Transfer Station also accepts thermostats, tires, anti-freeze, construction and demolition (concrete/brick, pallets, shingles, etc.) and latex paint.

Winterville Police Senior Watch Program

- The Winterville Police Department believes in a "neighbor helping neighbor" concept and that is why the Winterville Police Senior Watch Program has been created for our elderly.
- Through these partnerships, we will strengthen our relationships between our neighbors and neighborhoods.
- Members can sign up themselves or by family filling out an application. The application is available at the Winterville Police Department.
- The "Senior Watch" program is for seniors who may need our help. These seniors may not have family to check on them or provide some assistance. The Police Department would visit the senior on a scheduled basis to check on their welfare.
- Once the application is received by the Police Department and approved, it is entered into our database and a schedule would be setup for the senior. As a part of the application process, a police official would meet with the senior for introductions.
- Officers will not be able to assist with medications or transportation.
