

HALIFAX YOGA

HOW ACCESS CLASSES:

1. Log into your Halifax Yoga account or create one.
2. Purchase one of the pricing options [HERE](#) under Online Classes.
3. Then click on the top tab of the screen called Online Classes or click [HERE!](#)
4. You now have a screen that lists all zoom classes & links associated.
5. As soon as you click on a link, it deducts a visit from the pricing option, and it turns red. You can keep viewing that link until the class is over. (Zoom will open in a popup window; popup blocking must be disabled to view it.)
6. The number of different links you can click depends on how many sessions remain on your pricing option. (For example, if the pricing option has two visits, then you can only visit two unique links.)

So be mindful of clicking on the one you want!

ENJOY!
