

## Share with Perspective & Clarity

Our city is full of people from all over the world with different religions and backgrounds. *Did you know different cultures face unique barriers to the gospel?* The great news is that the Gospel speaks uniquely to all cultures and backgrounds.

Consider these resources to grow your confidence to share your faith

### Midweek:

Engage 360 will join us this Fall for Adult Midweek (Sept 19 - Nov 14) to lead discussions on what it looks like to be ABLE within our diverse culture. The members of this discipleship training ministry will provide relevant teaching and practical training that will encourage and equip us to have spiritual conversations with the people in our lives.

### Dare2Share:

A great tool to learn what other faiths believe and how to effectively engage in spiritual conversation with greater clarity.

**Pray for Conversations**

We all have relationships and friendships that are meaningful to us, but sometimes we stop short. Have you taken the time to have gospel conversations with your classmates, neighbors or acquaintances? It can seem intimidating, but it doesn't have to be.

Pray for opportunities to share your story and faith, and think about ways to start a natural conversation about beliefs.

Some simple faith conversations starters or transitions

*"How has this experience affected the way you look at God and life?"*

*"We've been friends for a long time but I realized I never told you about my experience with..."*

*"Just curious, what's your concept of God and spiritual things?"*
