August 28, 2:00-4:00 PM (Eastern Time) talk with Q&A

The lecture will be followed by a time for questions and sharing. Those who wish to do so are invited to take the Pearson-Marr Archetype Indicator® at capt.org. There is a modest fee for taking this, which includes an in-depth report about your results.

Workshop: Who Am I Now? Elders and Archetypes

August 28-31, 2020

- **Friday, 7:00-8:30 PM (ET)**
- **Saturday, 11:00 AM-1:00 PM (ET)**
- **Saturday, 3:00-4:30 PM (ET)**
- **Sunday (optional) 3:00-4:30 PM (ET)**

Suggested (but not required) age: 65 or older

This experiential workshop is based on the belief that the hero's journey, as described in Carol's book, *Awakening the Hero Within: 12 Archetypes to Help us Find Ourselves and Transform Our Lives*, is never over. Some people see the elder years as a time to just slow down and become a lesser version of what they have been, and some capacities do generally decrease. However, each new time of life offers a chance for death and resurrection, letting go of what no longer serves, and saying "yes" to what now beckons. **Participants will be asked to take the Pearson Marr Archetype Indicator® before they arrive, so they have a chance to receive their results before the workshop begins. The assessment costs \$25 and can be found at this link: <https://www.storywell.com/purchase-the-pmai.htm>**

These results offer feedback that can begin the process of discovering where aliveness resides within you that can be expressed in a joyful life going forward. The workshop will include several brief presentations on archetypes and on PMAI results and what they mean, active imagination exercises, and chances for questions and sharing with one another.
