Board Matter
Fifth Annual Providence District Winter Gear Drive

Members of the Board,

In preparation for this year's winter season, my office is hosting our fifth annual Winter Gear Donation Drive, and we invite our County and community members to be a part of this vital effort. With the cold weather coming, many of our residents need warm winter gear.

We seek donations of gently used or new coats, jackets, scarves, gloves, hats, and new thermal socks and underwear for adults and children of all sizes. Donations can be dropped off at the Jim Scott Community Center (3001 Vaden Drive) and the Dunn Loring Volunteer Fire Department #13 (2148 Gallows Road) through December 31st, 2024. The PARC (8508 Leesburg Pike) will also accept donations, from October 19th-December 15th.

This year, donations will benefit the Committee for Helping Others, Fairfax F.I.S.H., Second Story, Northern Virginia Family Services, and The Lamb Center. More information can be found on the Providence District website (fairfaxcounty.gov/providence).

This year's partners include the Tysons Community Alliance, Celebrate Fairfax Institute, Mosaic District, Neighborhood & Community Services, Miller Heights Community Association, and the Dunn Loring Volunteer Station #13. If your organization is interested in helping collect donations, please email Providence@fairfaxcounty.gov and we will coordinate with you.

Therefore, I ask that the Office of Public Affairs and the Department of Neighborhood and Community Services share this information on their channels.
