## Energy Efficiency Grants for Small Businesses

The Green Business Engagement National Network (GBENN) and Intuit have partnered to help Oregon small businesses save energy and money by implementing energy efficiency upgrades so businesses can operate more sustainably. Rebates up to \$1,500 will be awarded to about 180 businesses nationally, including 30 in Oregon.

**Apply Now!** Deadline is February 2

### Qualifying Projects Include:

- LED lighting upgrades or controls
- EV charging stations
- HVAC maintenance
- Smart thermostats
- Electric hot water heater replacements
- Walk-in cooler maintenance and/or strip curtains
- Electric bikes or electric vehicle purchases
- ....and much more!

### Why Participate?

- ✓ Reduce utility costs
- ✓ Upgrade current equipment
- ✓ Reduce energy use and emissions
- ✓ Be recognized for your environmental actions!

### To qualify, you must:

- Be located in Oregon
- Be under 100 employees and less than \$3.5 million in revenue
- Achieve at least entry level recognition through your local green business program
- Complete your project by May 26, 2026
- Be willing to have your impact story featured nationally
