COURSE DESCRIPTION

Advance Course – “Lay Servants Lead in Conflict Resolution”

(Saturday 8:00 am to 5:00 pm)

In this course we will explore different ways of constructively resolving conflict. We all have conflict in varying degrees in our lives, whether at home, with family, at work, or in social settings. The church is no different in this regard: there are conflicts among members, within committees, and sometimes with the pastor. We all can work toward becoming more aware of ways these conflicts can be resolved and grow through the experience. Through this course, we pray that we may all be blessed as peacemakers.

Additional course instructions will be communicated to you after receiving your registration.
