

YOUR CHILD, YOUR VOICE:

Navigating IEPs & 504s

The Office of The Local Children's Board, in partnership with LiveWellEd, presents a **free interactive workshop** to help families understand and navigate the special education process. Learn how Individualized Education Plans (IEPs) and 504 Plans work, understand your rights as a parent under Maryland law and build strong advocacy skills to support your child's success. Participants will walk away with practical tools, a personalized action plan and an IEP/504 Empowerment Playbook.

Light refreshments & lunch to be provided. Please indicate any dietary restrictions upon sign-up.
