Goals for Enhanced Outcome Framework

1. Strengthen outcome objectives

- Ensure metrics include meaningful outcome objectives.
 - Outputs versus outcomes.
 - Relevant to a program's stated purpose.
- Performance measures must also be reliable and manageable
 - Data is consistently available and not overly burdensome to collect

2. Implement a cohesive framework

- To describe collective impact of DAS community services and Dignity Fund money

OCP Outcome Processes/Workshops

Process

- Process to develop measures:
 - Research best practices/tools
 - Review historical data
 - Collaborate with providers
- Spotlight on service areas by contract schedule
 - This year:
 - Access & Empowerment
 - Caregiver Support
 - Housing Support
 - *Also: New Community Connection & Engagement services*

Example: SF Connected (partial list)

Past measures:

- Clients have increased technology knowledge, awareness, and skills
- Clients use skills learned to connect with relatives and friends through email or online social media

New measures:

- Consumers improve their self-sufficiency and independence by accessing digital services they learned about through the program (e.g. DAHLIA, Google maps, online banking, and shopping).
- Consumers are kept up to date with changing technology through the program
- Consumers connect with relatives and/or friends through technology using learned skills (i.e. email, social media, digital messaging).

Report Purpose

- Provide annual snapshot of service and outcomes performance
- Develop shared context between Department, partners, community, etc
- Share progress, identify areas for work, and build momentum

Report Structure and Approach

- Structured by seven service areas
- Each section contains:
 - Overview of service area
 - Performance profiles by service
 - Client profiles by service (where data is available)
- Building groundwork to focus on outcome themes

Service Area Overview

Service Area: Case Management & Care Navigation

Case Management & Care Navigation services facilitate service connections and support individuals with complex needs to navigate available resources and promote stability in the community.

CASE MANAGEMENT & CARE NAVIGATION SERVICES

- Case Management
- Community Living Fund
- LGBTQ Care Navigation (including Pet Support)
- Money Management

PRIORITY OUTCOME MEASUREMENT THEMES

- **Service Connection:** Clients are connected to resources that address their needs and support them to live safely and engage in their community.
- **Stability in the Community:** Clients maintain stability living in the community with limited experiences of crisis and/or institutionalization.

FY 2018-19 HIGHLIGHTS

- We served 2,171 clients with a total of 2,103 enrollments across all Case Management & Care Navigation services. In total, DAA5 allocated \$8.9 million for services in this area.
- We supported seniors and people with disabilities to maintain stability in the community. This includes 92% of Community Living Fund clients who experienced one or fewer unplanned hospital admissions within a six-month period and 100% of Money Management clients living in public housing who retained their housing over the course of 12 months.
- We supported providers to enhance their skills through Case Management's Clinical Consultation support. Both case managers and their supervisors attributed enhanced case manager skills and performance in working with individuals with complex needs to the training and clinical support provided.
- People felt less isolated and more connected. Over 80% of LGBTQ Care Navigation clients felt more engaged due to their participation in programming.

LGBTQ Care Navigation

This program helps LGBTQ seniors and adults with disabilities navigate service systems to access healthcare resources and social supports. Peer volunteers visit clients regularly to reduce isolation and address barriers that inhibit accessing of needed services. For those struggling to care for their animal companion, this program also provides pet care resources to maintain this important source of support.

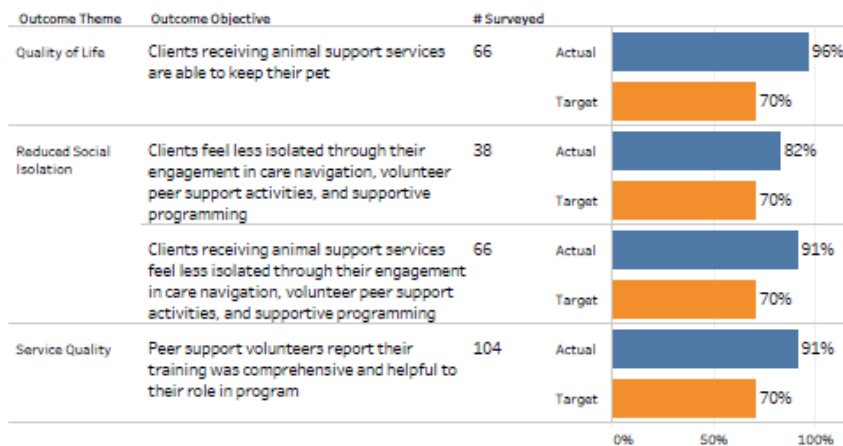

Funding \$736,325
