We have computers available or you can bring your own laptop, tablet, or mobile phone (smart or not) to learn what you want with a skilled tutor. Bring photos or document and learn how to scan, edit, and save them.

See reverse side for other sites where we teach special classes and host weekly open computer labs. **For information: contact info@sfccommunityliving.org or 415-821-1003.**

Community Technology Network, Self-Help for the Elderly, and Conard House also offer computer classes. To see a calendar of all free classes or for more information, go to www.sfconnected.org or call (415) 355-3555.

CLC's Free Weekly Computer Classes & Tutoring

We teach people how technology and social media are new tools to help individuals and groups reduce isolation and reweave community. You can find the Community Living Campaign's Community Connectors and Trainers in computer labs and senior centers across the city.
