CLC Mondays at 360 Valencia in January 2017

Open Lab and Tutoring in January

The Valencia Garden Computer Lab will be closed to the public for several months, starting in January, due to the need to relocate Mission Housing staff there during construction at their main office.

Mission Housing is looking to move some of the computers temporarily to 390 Valencia. And we are also looking for alternative sites in the Mission for the next several months.

If you have questions or want the most up-to-date information, contact Judy at judyauda@yahoo.com .

We anticipate our regular programming at 360 Valencia will resume in April.

See reverse side for other sites where CLC is teaching special “On The Road” classes and hosting weekly open computer labs.
