We have computers available or you can bring your own laptop, tablet, or mobile phone (smart or not) to learn what you want with a skilled tutor. Bring photos or document and learn how to scan, edit, and save them.

See reverse side for other sites where we host weekly open computer labs and teach special classes. **For more information: contact [info@sfccommunityliving.org](mailto:info@sfccommunityliving.org) or 415-821-1003.**

*Community Technology Network, Self-Help for the Elderly, and Conard House also offer computer classes. To see a calendar of all free classes or for more information, go to [www.sfconnected.org](http://www.sfconnected.org) or call (415) 355-3555.*

## CLC's Free Weekly Computer Classes & Tutoring

We teach people how technology and social media are new tools to help individuals and groups reduce isolation and reweave community. You can find the Community Living Campaign's Community Connectors and Trainers in computer labs and senior centers across the city.
