

Happy New Year!

Greeting neighbors and friends,

Check out our January calendar in this e-mail. We hope you'll continue to be active or jump onboard and join us for one of our events. We're looking forward to expanding our community—pull our resources of talent too!

Maybe you have a suggestion for talk or events—chances are others will enjoy it too. If you have a talent or skill you'd like to share with others, we welcome you.

Thank you all for a great year, we had a wonderful time building friendships and strengthening our community! Wishing you good things this year.
