Discover How to Get Rewarded for Smarter Healthcare Choices

The Shared Savings Program offers a variety of voluntary benefits to members enrolled in a State Group Insurance health plan. Enrolled employees and their eligible dependents are **automatically** eligible to participate at no additional cost. The program helps members access high-quality care while reducing out-of-pocket expenses and earning rewards for making informed healthcare decisions.

For **planned, non-emergency procedures**, bundled medical services through **Lantern** offer a convenient, cost-effective option. Lantern connects members with a network of top-rated surgeons and facilities while providing personalized support throughout their care journey.

How it Works:

- **Connect with a Lantern Care Advocate:** A dedicated Lantern Care Advocate guides members through their options and helps coordinate care from start to finish.
- **Access high-quality providers:** Based on the members' needs, Care Advocates help members identify a list of highly qualified surgeons and facilities in the area as well as help with setting up care appointments.
- **Enjoy bundled savings:** Many services are offered at low to no out-of-pocket cost, depending on plan coverage details.
- **Earn rewards**: Members can save and earn rewards ranging from $500 to $6,000.
