

Benefits Updates – December 13, 2021

Address Review & Update Reminder

In order to receive communication materials regarding your State-Sponsored Benefits, it is very important to keep your address on record up to date in our Panther Soft System. If you have experienced any changes in address, please update your information on file immediately.

An address change may trigger a Qualifying Status Change Event. If you have a Qualifying Status Change (QSC) event that results in a gain or loss of eligibility for coverage, you have 60 days (unless otherwise noted) from the date of the event to make changes to your benefits.

Retirement

Open Enrollment has ended, but there is still time to get invested in your retirement—with the Florida Deferred Compensation Plan (457b). Enroll at any time, and retire comfortably with a Plan that helps you prepare for retirement on your terms. No matter where you find yourself in your retirement journey, the Florida Deferred Compensation Plan is here to support you.
