

In Loving Memory of

**James "Jim" Clarke Ketzle
1941 - 2024**

Jim began his career with FIU on May 23, 1980, as a university controller in Administrative Affairs for the University Controller's Office. Over the years, Jim took on numerous responsibilities, making a lasting impact on the FIU community until his retirement in 2005. He will be greatly missed, and his indelible contributions to our university and those he served will never be forgotten.

Jim is survived by his wife, Cynthia Hawkins Ketzle, and his two sons, Jeffrey Clarke Ketzle and Paul Laurence Ketzle. He is also survived by his brother Henry, his daughter-in-law Marcia Dibble Ketzle, and his four grandchildren. Please keep his family and loved ones in your thoughts and prayers.
