From: Ukraine Conflict Response Task Force

Date: May 11, 2022

Subject: Ukrainian Student Support Fund

In April, FIU formed the Ukraine Conflict Response Taskforce to help coordinate FIU activities that support Ukrainian students, faculty, staff and educate the community about the ongoing war and humanitarian crisis in Ukraine.

The taskforce has established the Ukrainian Student Support Fund. The fund's proceeds will be used to provide scholarships and stipends for Ukrainian students at FIU who have been impacted by the war.

Please consider making a donation to the Ukrainian Student Support Fund on the FIU Foundation's Give Now page.

Thank you for supporting our students.
