FIU | Center for Leadership

The Leadership Essentials Program
Pathways to Leadership

In this program you will...

- Learn to effectively communicate with others to drive optimal performance and ensure successful conversations
- Understand how who you are affects your leadership behaviors
- Develop resilience through mindfulness: be 'steadier and readier' amidst the chaos of your day and an ever-changing world
- Explore the critical role social networks play in determining professional success

April

25-26
