Stay On Track with Your Retirement Planning

If you are considering retirement in the near future, take the time to review the How to Retire Employee Guides intended to get you retirement-ready!

These guides provide you with relevant information pertaining to retirement from FIU and help you understand the retirement process, reemployment rules, as well as the benefits offered to retirees.

Are you on track to reach your retirement goal?

All **FRS members** have access to free **one-on-one financial plan guidance** services. You can talk to an EY financial planner by scheduling an appointment online or by calling 1-866-446-9377.

In addition, all FRS members have free access to an easy-to-use retirement planning solution through the digital **GuidedChoice** Advisor Service.
