Benefits Updates | September 23, 2024

Address Review & Update Reminder | *Open Enrollment is coming!*

In order to receive communication materials regarding your State-Sponsored Benefits, it is very important to keep your address on record up to date in our PantherSoft System.

Take the time to review your current mailing address, email address, phone numbers on file. As a reminder, if you have experienced any changes in address, please update your information in our PantherSoft System immediately.

Educational Webinars | October & November 2024

At FIU, we are committed to supporting our employees' financial wellbeing. Every other Wednesday in October and November, our Benefits Administration team is hosting a series of informative live webinars covering **Medicare**, **Social Security benefits**, **retirement planning**, and more!

No matter where you find yourself in your retirement journey. Explore the schedule at go.fiu.edu/retirementwebinars and register today!

FIU 403(b) Voluntary Retirement Savings Plan | Quiet Period in Effect

By the week of **September 30, 2024**, significant enhancements will be made to the FIU 403(b) Voluntary Retirement Savings Plan, including new investment options, services, and tools. Details and updates are made available in the FIU Benefits' Voluntary Savings Plans website section.

A "**Quiet Period**" is in effect through **Tuesday, October 1, 2024.** During this time, you *will not be able to enroll in a plan, change your contribution rate, or switch providers.* However, you can still access your account, view balances, update beneficiaries, and make transfers or withdrawals.

For more detailed information on the enhancements and provider contact details, please refer to the Transition Guide. You can also access a recorded webinar presentation: *Enhancements to the FIU 403(B) Voluntary Retirement Savings Plan*.
