Benefits Updates | July 29, 2024

Announcing Enhancements to the FIU 403(b) Voluntary Retirement Plan

FIU and TIAA have reviewed and improved the FIU 403(b) Voluntary Retirement Savings Plan, adding new investment options, services, and tools to help you plan and reach your retirement goals.

A university-wide announcement will provide more details in early August. Active plan participants should expect a *Transition Guide* from TIAA by the week of August 8, 2024.

Wellness Bite | Pet Safety: How to Stay Cool for the Summer

Join us on **Wednesday, July 31st, 2024, at 12:00 PM** for our Wellness Bite Webinar, where a SPOT Insurance expert will show us how to keep our pets safe during the summer's heat. During this webinar, we will review outdoor risks, protection tips, travel safety, and allergy relief for our fury ones! Check out our upcoming events.

Plan your Financial Future with your State Retirement Plan

All FRS members have free access to **one-on-one plan financial guidance** services. You can talk to an EY financial planner by scheduling an appointment online or by **calling 1-866-446-9377, option 2**.

- **FRS Investment Plan members**, read the most recent Investment Plan Quarterly Newsletter and check out all other publications available through the MyFRS website. Each quarter, the Division of Retirement provides you quarterly Investment Plan Account Statement, which summarizes the financial status of your retirement account.

- **FRS Pension Plan members,** read the most recent FRS Pension Member Newsletter to learn more about the FRS Online enhancements and features. Each year, the Division of Retirement issues your ***Member Annual Statement (MAS)***, summarizing your retirement record and projecting future monthly benefits upon vesting.

- **SUSORP plan members**, make sure to contact your investment company to learn more about how to stay on track with your retirement goal. Review the most updated SUSORP Provider List of FIU Representatives.
