Quarter 1 Recap

From Insight to Action

Applying ELR Principles in Practice

This interactive recap session will bring together the key insights from Quarter 1 and explore how early recognition, engagement, and prevention influence workplace outcomes. Through discussion and a workplace scenario, participants strengthened their ability to recognize concerns, seek perspective, and apply proactive strategies that support positive workplace experiences.

Participants Will:

- Apply Quarter 1 Workforce Insight Circle concepts to a workplace scenario.
- Strengthen decision-making through discussion and reflection.
- Explore the value of early engagement and strategic partnership with ELR.
- Reinforce prevention as an active workplace practice.

Key Takeaway:
Early recognition, intentional engagement, and strategic partnership create opportunities for stronger workplace outcomes before concerns escalate.
