POWER SKILLS TO MANAGE HYBRID TEAMS

Supervisors play a vital role in the success of a hybrid work program. By maximizing the effectiveness of your team and facilitating high-voltage meetings and activities, you create an engaging and productive hybrid work environment.

As a result of this session, participants will:

- Understand what a hybrid work environment means to managing performance
- Challenge personal perceptions about how work gets done
- Identify the importance of psychological safety in a hybrid work environment
- Learn six steps to maximize effectiveness leading hybrid teams
