Date: 15 Dec 2025

From: Permanent Chance of Station Joint Task Force (PCS JTF), Defense Personal Property Management Office (DPMO), Scott AFB, IL 62225

To: Department of War (DoW) approved Transportation Service Providers (TSPs)

Subject: TSP Cybersecurity Maturity Model Certification (CMMC) Workshop

1. The DPMO will host a CMMC workshop for DoW approved TSPs on January 14, from 1300 to 1500 central time via Microsoft Teams. RSVP by 5 Jan 2026, by replying to the PPCF email box (transcom.scott.tcj9.mbx.ppcf@mail.mil). The workshop is specifically for the TSP Information Technology (IT) and/or cybersecurity professionals.

2. On 25 Nov 2025 the PCS JTF released Advisory 26-0025A announcing the requirement for this certification by 15 March 2026. TSPs not in compliance by 15 March 2026 will be placed in non-use until they certify compliance in the Supplier Performance Risk System (SPRS).

3. The workshop will review guidance that requires Level 1 self-assessment under the Cybersecurity Maturity Model Certification (CMMC) for TSPs; the required 15 cybersecurity controls for Federal Contract Information (FCI) outlined in FAR 52.204-21 and discuss how compliance should be documented in the Supplier Performance Risk System (SPRS)

4. Prior to attending the workshop, attendees should review the information referenced in the Workshop agenda below:

a. **PART A: Completing a Cybersecurity Maturity Model Certification (CMMC) Level 1 Self-Assessment.** Reference is the CMMC Assessment Guide Level 1 version – 2.13, September 2024 lists the 15 measures for CMMC Level 1 Self-Assessment organized into six categories.
