

2021 Annual Conference

Hosted by:

**Continuing Education Credits**  
**CDA-MDA**  
**2021 New World of Dentistry Conference**

All attendees should receive an email containing a CE Attendance Report before May 15, 2021. The MDA does not submit nor retain copies of CE for other regulators. All Dentists and Registered Dental Assistants of the **Manitoba Dental Association** will have their CE Credits automatically entered into their MDA Continuing Education Report according to the following criteria:

**LIVE 2021 Conference Presentations**

All live sessions attended virtually will qualify under the **Seminars, Lectures and Participations Activities and Programmes (Synchronous)** credit hours category of the *MDA's Bylaws for Continuing Education of Dentists and Dental Assistants*.

**On-Demand 2021 Conference Presentations**

**Pre-recorded/On Demand** sessions **with a test** will qualify under the **Self Study Programmes with Independent Assessment (Asynchronous)** credit hours category of the *MDA's Bylaws for Continuing Education of Dentists and Dental Assistants*. Dentist may obtain up to 30 credit hours in their 3-year cycle for this type of CE. Registered Dental Assistants will have up to a maximum of 24 credit hours recognized in their cycle.

**Pre-recorded/On Demand** sessions **without a test** will qualify under the **Self Study Programmes without Independent Assessment (Asynchronous)** credit hours category of the *MDA's Bylaws for Continuing Education of Dentists and Dental Assistants*. Dentists may obtain up to 15 credit hours in their 3-year cycle for this type of CE. Registered Dental Assistant will have up to maximum of 12 credit hours recognized in their cycle.
